Reserve 2C openings for two kinds of hands -

1. 8-trick hands with 17+ points;
2. any 23+. No exceptions.

Once West responds diamonds, East's hand revalues to a HUGE 23+

Thus the warranted aggression.

3C rebid by East paints a picture of the distribution;

West sensibly drives to the slam. He who KNOWS, GOES.

3NT is far too unilateral. Bid 3C, since we are in a game forcing situation once you bid. That's all it needed to get to the GRAND!

NEVER jump when you have two suits and are looking for a fit!

The contract of 7C is frigid, but clubs were never bid!

=====

TIP: When holding 2 suits, facilitate the auction by bidding naturally and slowly.

Remember ==> we need to establish a fit then we decide on the contract level.
