no support dble was used. Raise with 4, support dble with 3

Bid 2C after 1NT = checkback stayman. But on this hand, simply go 2D = to play!

michaels - West must bid 4S! and misplayed

20211103 assumed 4C was gerber

3NT is resrved for a different kind of hand - rare. Like xx, Ax, Kx, AKQT9xx  
On this hand, simply bid 2H = reverse = 17+ = forcing

6NT sensibly

=====

Personally I do not like conventions, but a few are necessary.

Like the above proves: Support doubles, checkback stayman,  
responses to Michaels, Reverses are forcing 1 round.

Also, ensure when 4C is Gerber! Use is after a NT bid only AND you jumped:-

1NT - 4C	1C - 1S	2NT - 4C
	1NT - 4C	

===== End =====
